

REPORTING TRAINING TIME

Training Time reported on the ANSC 7030 Form

Time Spent as “trainee” for the following programs:

- **Instructor for any course** – 06A for operational training, 06B for other training, 06C for SCE training. PE codes (14). Must be IT qualified. Others who assist in training should be listed a non-lead. Only one Lead instructor per form. Multiple forms should be submitted for courses taught by a team with one lead associated with each time period taught.
- **10G**- PA Training- member lists self as “Lead”
- **22A**- Operations Training (underway) - boat crew, coxswain, ATON verifier, air ops (this 7030 will be generated by POMS).
- **22B**- Operations Training (not underway)- boat crew, coxswain, ATON verifier, air ops. Instructor (if not IT qualified) is LEAD, those taking the training are Trainees. If Instructor is IT qualified then Instructor should submit a separate form using 06A to get credit for the instructor hours.
- **70U**- MS/MEP Training (includes taking Good Mate, IIMS, Intro to Marine Safety, PQS). Member should list self as “Lead”
- **80B**- Commercial Fishing Vessel Training & Qualifications
- **80D**- Uninspected Passenger Vessel Training
- **80F**- Uninspected Towing Vessel Training and Qualifications
